

Westfield Nursery and Primary School

Spring 2022

Welcome back to Spring term 2022. Firstly, can I say Happy New Year and I hope you had a wonderful Christmas with your families. I can't believe how quickly it came and went. Where are the weeks going! I'm not sure if this is just in schools or with everyone but I can't believe that we are now starting our 4th week back. The children have been working hard in school and enjoying their new learning challenge questions. The early years question this half term is 'Was it once upon a mixed-up time?', if you check out the school website class page you will see the children chasing the Gingerbread Man (Mr Crow) as fast as they can! Year 1 started the New Year off very cold as they have been using their imagination to travel to the Arctic, learning about- 'Why can't Meerkats live in the North Pole?' Year 2 are learning all about Neil Armstrong and the Space Race. Year 3's question is 'Would you like to live in Ancient Egypt?' Year 4's question is 'Who lived in the Indus Valley and what did we learn from them?' Year 5's question is 'Why were the Ancient Greeks ruled by their Gods?' Year 6's question is 'Will you ever see the water you drink again?'

It is amazing to see all the Wow experiences and learning which has taken place already!

Miss Quirk

Wheelchair Basketball

This week the children have been doing Wheelchair Basketball. A great experience which the children really enjoyed! Check out our school Facebook page for more pictures.

NSPCC Number Day 4th Feb

We will once again be taking part in Number Day this year. Children are invited to come to school dressed up in a number theme and we will be planning lots of fun number activities and challenges for the day. Donations will be going to the NSPCC which is a fantastic charity. Information for parents and carers is attached. Happy Friday everyone!

For your information

We have a new phone system in school which records all incoming and outgoing calls.
